Children from Arizona will be "Flying with Camp Soaring Eagle!"

We are proud to announce that this summer Camp Soaring Eagle will be sending children with serious illnesses from Arizona to some of the existing Association of Hole in the Wall Camps across the country as part of the "Flying with Camp Soaring Eagle" program. The goal of this program is to give children the opportunity to begin experiencing the healing power of camp at a completely constructed facility, while our crews continue to push forward with our construction here in Sedona.

How to Get Involved

We would like to thank all of our supporters for the outpouring of support you have been giving us. Repeatedly, we are meeting people who would like to know how they can help Camp Soaring Eagle deliver the healing power of laughter. With the economic challenges facing our country at this time, we are asking for your assistance in fundraising.

Volunteer supporters have assisted us with art auctions, fundraising dinners, in-home presentations, mentioning our cause in newsletters and invoices, benefit races and more. If you have a fundraising idea, and want to make a difference in the life of an ill-child. please contact Jennifer Perry 928-284-2287 or jperry@CampSoaringEagle.org "
